TO WHOM IT MAY CONCERN

Dear Sir/Mdm

This is to certify that Ms. Aldona Sankowska, was employed by The Regent Singapore from 15 February 1999 to 30 June 1999.

During her employment at The Regent Singapore, she had been a very creative and initiative pianist. She had also contributed excellent service to the hotel. We have received good reviews and response from the guests who have listened to her performance.

For your necessary information.
